Under the Vale and Other Tales of Valdemar (Daw Book Collectors)

Under the Vale and Other Tales of Valdemar (Daw Book Collectors)

In March 1987, a young author from Oklahoma published her first novel, *Arrows of the Queen*. This modest book about a magical land called Valdemar was the beginning of a fantasy masterwork series that would span decades and include more than two dozen titles. Now readers can travel to the world of Valdemar with Tanya Huff, Mickey Zucker Reichert, Fiona Patton, Rosemary Edghill, Judith Tarr, and others in these original stories, including an all-new novella from Mercedes Lackey.
