HOW TO BE THE MAN WOMEN LOVE: Women are attracted to real men - the "Man's Man" or the Alpha Male. This book will show you how to evolve into such a man - "the Alpha" - by teaching you exactly what you need to know to behave like an Alpha around women. It is based on the real life experience of a guy who used to be a shy insecure fellow once and how he developed himself into an Alpha man. The author shares the secrets which made this possible. It is a book which is very straight forward and does not give you complicated advice, which requires a lot of hard work. It begins by explaining about female psychology and how women think of men. Then it goes into exploding a lot of myths like that men need to be a jerk to attract women, or that men need to spend a lot of money on women, or that women don't like sex as much as men do. The book then goes on to explain how to read a woman's non-verbal signals, and then explains in a step by step manner how to behave like an Alpha male to create attraction. It also shows the reader what he can do to boost his self-confidence. Much of the information is geared at not only just getting women, but also for self improvement in general. The book also explains the easy way of how to talk to women and what to say to them to create emotional connection. It is a book full of solid advice which is very doable and will make you the masculine man you were destined to be but have not evolved into it completely yet. Some of the key things which you will learn are given below: How to get women to chase you? How to get over your insecurities? How to stop needing a woman to need you? How to give up the "beta man" behaviour? How to grow constantly to get an unfair advantage in attracting women? And much more.....
