How To Tell Someone You Love Them (And Why You Should Do It)

T.H. Russo

How To Tell Someone You Love Them (And Why You Should Do It) T.H. Russo

I love you. It looks so easy on paper, but when you want to say it, your mouth goes dry. Why is it so hard for some people to speak three monosyllabic words?

In *How To Tell Someone You Love Them (And Why You Should Do It)*, T.H. Russo packs in as many thoughts and ideas into as few words as possible. Calling upon his unusual life experiences, he philosophically guides the reader through the process of defining love and conquering fear.

He argues that love in the modern world is in danger of going extinct, as pornography and casual sexual encounters rise in prominence, replacing real passion and commitment. To speak three words and mean it is more than a simple declaration; it is the elevation of human consciousness, and the key to saving our degenerating species.

Love is under threat in any society that promotes selfishness and consumerism. Love today is just another cheaply manufactured product to be bought and sold. Those who say "I love you" easily do so because they do not appreciate its value. Those who struggle do so because they know it is priceless, that it is inherently risky and does not come with insurance.

This book will teach you how to roll the dice. Gambling with your heart is dangerous, but when you understand just what it is that you stand to win, you won't hesitate when the opportunity arrives.
