The Arizona gun owner's guide: Who can bear arms? where are guns forbidden? when can you shoot to kill? Alan Korwin

The one book every gun owner in Arizona should have.

Complete text of all state gun laws (not just the penal code), with plain-English descriptions of the laws for private citizens and training material for concealed-carry permit applicants. You get all the rules for buying, selling, carrying, transporting, target shooting outdoors, special weapons, use of deadly force, self defense, gun safety, federal laws... it is the most complete coverage anywhere of one state's handling of the Second Amendment to the U.S. Constitution.

More than 150 self-test questions, 22 lethal-encounter scenarios for study and discussion, much more. Used statewide and widely endorsed.

- It doesn't make sense to own a gun and not know the rules
- You don't want to be in trouble for a rule you never heard of
- Ignorance is no excuse—it's better to know the rules
- You have a right to know what the laws are
- If you knew all your rights you might demand them
