A scorching hot new adult romance

Kat Wilder is totally screwed. At only twenty-one, she's resigned to one seriously bleak future. Waiting tables barely supports her only family, her sister, and she's got no luck finding a better job. With no money or time for school, she has no chance at a better life.

Then she meets Blake. The billionaire tech CEO is a lifeline. An arrogant, controlling, impossible to read lifeline. He wants something from Kat and he'll do whatever it takes to get it.

He offers Kat a deal-- a few months of her life for a few hundred thousand dollars. All she has to do is play his girlfriend and convince everyone that she's madly in love with him.

It's Blake's way, Blake's terms, Blake utterly in control.

She tells herself it's only business. But the part between them that matters-- the two of them alone, her giving in to everything he wants-- that part is strictly personal.

The Billionaire's Deal is a new adult romance featuring an inexperienced yet feisty heroine and a protective alpha billionaire hero. The Billionaire's Deal is a full-length, standalone novel. It was previously published as a four part serial.
