Mark Twain

The Diaries of Adam and Eve (Annotated) Mark Twain

Long before the arrival of the serpent, conflict enters the Garden of Eden as Adam and Eve discover in each other a source of continual irritation. Through the light of their diaries, we learn of their halting progression from grudging adversaries to eventual partners. The Diaries of Adam and Eve is one of Mark Twain's finest displays of wit and wisdom. A must-read for couples both young and old, it is a penetrating insight into the complex nature of the relationship between man and woman and of the forces which both repel and draw them together.

-This annotated edition features a literary critique by Ellen K. Gregory.
