The Story of Us Deb Caletti

Sometimes choices—like change—can't be avoided. A bittersweet story of love and family from National Book Award finalist Deb Caletti.

Cricket has a very long week ahead of her. Her entire family has come together for her mom's wedding, and it's supposed to be a time for celebration. But for Cricket, the timing couldn't be worse.

For years Cricket's been half of the perfect couple, destined to be together forever. Now, because of what she's done—something she would give anything to take back—Janssen has walked away. Maybe for good.

Cricket has always panicked in the face of change. Now she is forced to face her fears and decide once and for all what she wants, and how she's going to get it. For over the course of the week, secrets will be revealed, bonds will be tested, and Cricket's confusion—and her desires—may very well send her spiraling down a path she never thought she'd take...with no idea where it will lead her.
