Catholicism and Historical Narrative: A Catholic Engagement with Historical Scholarship (Catholic Social Thought)

Catholicism and Historical Narrative: A Catholic Engagement with Historical Scholarship (Catholic Social Thought)

Stories about the past shape not only the way people think about history, but also the way they act in the present. Nowhere is this truer than in the area of religion, which has been and continues to be a powerful motivating force in the lives of billions around the globe. In this volume, *Catholicism and Historical Narrative: A Catholic Engagement with Historical Scholarship*, contributors explore the way stories are constructed and show how a focus on Catholic figures and concerns challenges common understandings of important historical episodes and eras.

Editor Kevin Schmiesing has gathered a distinguished group of scholars who, in various ways, call into question conventional story lines by highlighting previously neglected Catholic ideas and individuals. Built on ample evidence and employing keen insight, each essay is the result of cutting-edge research in fields ranging from historical research on Puritan New England and the antebellum South to the history of abortion to the twentieth-century papacy.

Students and scholars of religious history, Catholic historians, and anyone interested in the intersection of religion and history will all find here much to interest—and maybe even surprise—in the chapters' arguments concerning the deficiencies of history's dominant narratives. The volume's focus on the history of Catholics in the United States makes it essential reading for anyone seeking to understand the place of Catholicism in the American story.
