The Big Book of Sex "Quotes": 1001 Quips and Quotes

The Big Book of Sex "Quotes": 1001 Quips and Quotes

"When authorities remind you of the sinfulness of sex, there is an important lesson to be learned. Do not have sex with the authorities."--Matt Groening (*The Simpsons*). Prudes beware: there are no repressive authorities or censors here. From Aphrodisiacs to Rude Food, Virginity to Viagra, these 1001 unexpurgated sex quotes--divided into 75 categories--are too good to keep under cover. As with every volume in the popular "Big Book" series, the seductive array of material covers a wide span, and nothing is too hot to handle. Some are fresh off the press: "Study Finds Sex-Pregnancy Link" trumpets one newspaper headline. (Who knew?) Others come from our finest comic geniuses, such as Woody Allen's *"Sex without love is an empty experience, but as empty experiences go, it's one of the best."* Whether it's Mae West's sassy *"To err is human--but it feels divine"* or Andy Warhol's surprising *"Sex is the biggest nothing of all time,"* these are entertaining and amazing.
