The Best Sex of Your Life: Today's Secrets for Amazing Romance and Phenomenal Sex Steven K Craig
Sex... There isn't anything on earth that feels as good as two bodies united as one. However, there is much more to it than mounting another person or being mounted. The best sex of your life is not going to happen with someone willing to act out pornographic scenes from a smut film. The best sex of your life will only take place when it is driven by love, and only when two people are connected at the heart before joining the bodies. When there is true love involved during the act of sex, something amazing happens, a soul transfer takes place, and you are cast into a realm of suspended euphoria that cannot be experienced any other way. If you are still breathing, have a heartbeat, not a narcissistic soul sucking vampire, douche-bag or gutter tramp... you need this book! Male or Female, if you believe in love, want an unimaginable romance and mind blowing sex...you need this book! There are 96.6 million people single and lonely in America. That equates to 43% of the entire population. With numbers that high, it's obvious that something has gone horribly wrong in society. Those truly seeking the love of his or her life need throw out everything they've read or been told in the past. Those typical relationship concepts are obsolete and archaic in practice. We live in a different world from the days when love and romance had meaning and significance. It's a new playing field in the dark realm of single life, with hordes of psychopathic players, where love is disposable, and morals no longer exist. This is the era of human de-evolution, and you need the firepower to find the love of your life without experiencing one disaster after another. This book is equipped with all the ammunition needed to succeed in finding a true love, and maintaining it for a passionate, long-term, romantic relationship. With wide-range stupidity and appalling arrogance running rampant, there is no more time to be "politically correct" if we are ever to see a change for the better. The content of this book is gritty, raunchy, erotic, and laugh out loud funny with its George Carlin approach to humor that hits the mark in a full frontal attack on the morally bankrupt. It dives deep into the murky trenches where the foul underbelly of dating lies and what comes to the surface is shocking, vulgar, and offensive, but its refreshing no-holds-barred truth is exceptionally informative for this day and age. The Best Sex of Your Life begins as an in-depth study of a morally bankrupt society that has made it almost impossible to find real love. It contains everything that a man or woman will ever need, including, healing from heartbreak, how to be successful at online dating, identifying and avoiding the love killers, how not to self sabotage relationships, how the nice guy can win, approaching the opposite sex, the perfect first date, delivering an epic kiss, romantic tips, keeping passion alive and thriving, powerful sex, and much, much more. This is the only book needed today to assist in finding a true love. This is it! The one book the world has been waiting for and is in dire need of. Are you ready to jump over rocks, side step venomous snakes, cross over bridges with Trolls lurking beneath, and walk the rugged path that leads to finding the love of your life? Okay then, step right up and hang on tight because it's going to be a one wild ride. Against all odds, we are going to find real love and live happy, exciting, romantic, and passionate lives to its fullest.
