A house is divided. What happens when a king falls, affecting his entire organization in the process? Canyon was once on top without a financial care in the world. With his boo, Symba by his side, he never imagined the law--and an affair with his baby mama--would catch up with him.

Blue and Zac, like any young couple--have faced their fair share of problems. But things really get complicated when a new guy comes into the picture.

Raelyn and Caesar were the perfect match made in heaven--until an unexpected robbery took place. Now they're slowly picking up the pieces while they try to start new. Will loyalty continue to be an issue with this couple? And more importantly, will Raelyn be able to handle her position as first lady of a drug empire?
