Aquarian Angels - Lake Justin Kayser

When Dan and his college friends fly into a small Wyoming town, they stay at his parents' old summer house on Walter Lake to film scenes of a project they're working on together. Once they arrive, Dan feels something strange at the lake. His sense of home, the smells, and the sights all seem to have vanished. When the appearance of a Lake Angel named Whisper comes to haunt him, he discovers that another Lake Angel has been kidnapped and is trapped in one of the houses surrounding the lake. Whisper can't leave the lake, so he asks Dan to find the Angel and bring him back to the lake. Seduced by Whisper's beauty, and determined to prove himself worthy, Dan accepts the mission, but he fears the power and strength of a person or thing with the capability of capturing a Lake Angel, holding him hostage, and keeping him hidden away. He also questions his own ability to find the Angel and return him to the lake.
