I was in the hospital. My room was across from the nurses' station. So I could hear their conversations. One of the nurses asks the others, "Is there a book about death?" One of the Christian nurses answers, "The Bible. The Bible tells about death." My reaction was, "How can you hand the Bible to someone and expect them to find the passages explaining death?" So I wondered about writing a book about death telling what the Bible says. This is the book 7 years later. Have you ever wondered what it feels like to die? My sister thinks death feels like shutting your eyes and holding your breath. Are you afraid of death? Should you be? You leave your body when you die. Exactly what is it inside of you that's leaving your body? Does someone come and get you? Or do you wander the earth for a while? Where do you go? What do you look like without your body? The Bible has all the answers to these questions and many more. I've gone through the Bible and picked it clean for information. My book is a complete telling of what the Bible says about death and how it affects each of us. Death is the most important topic of our lives. Our lives all end in death. We want to be prepared. .... To find my other books and the Kindle versions, enter "Marlene Polar" in the amazon search bar.
