## **Toyota Celica GT-Four (Rally Giants)** Graham Robson

This is a comprehensive study of the career of the Toyota Celica GT-Four. Starting in 1988, three generations of this effective turbocharged four-wheel-drive car – known by enthusiasts as ST165, ST185 and ST205 types – fought for World Championships, and were amazingly successful for almost a decade.

All types combined high-performance, great reliability, and superb preparation by Toyota Team Europe (based in Cologne, Germany), their 300bhp/four-wheel-drive chassis package being among the best in the world. Over the years, the cars won some of the roughest events in the world (such as the Safari and the Acropolis), and were also supreme on tarmac, snow and ice, including Monte Carlo.

After fighting a running battle with Lancia for years, the Celicas won the World Manufacturers' Championship twice. Its famous drivers included Carlos Sainz (World Champion in 1990 and 1992), Juha Kankkunen (Champion in 1993) and Didier Auriol (Champion in 1994).

Never far from controversy, and at times embroiled in technical and regulatory disputes, these cars brought real glamour to the colourful sport of rallying, and were only replaced by an even higher-tech Toyota – the Corolla World Rally Car – in 1997.

#### **John White:**

Reading a e-book tends to be new life style with this era globalization. With reading you can get a lot of information that will give you benefit in your life. Using book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Lots of author can inspire their particular reader with their story or their experience. Not only situation that share in the ebooks. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some analysis before they write on their book. One of them is this Toyota Celica GT-Four (Rally Giants).

#### **James Drennan:**

Your reading 6th sense will not betray a person, why because this Toyota Celica GT-Four (Rally Giants) e-book written by well-known writer who knows well how to make book that may be understand by anyone who also read the book. Written with good manner for you, still dripping wet every ideas and publishing skill only for eliminate your hunger then you still uncertainty Toyota Celica GT-Four (Rally Giants) as good book not merely by the cover but also by content. This is one publication that can break don't judge book by its deal with, so do you still needing a different sixth sense to pick this particular!?! Oh come on your reading sixth sense already alerted you so why you have to listening to a different sixth sense.

#### **Edwina Hinkle:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Toyota Celica GT-Four (Rally Giants) can make you sense more interested to read.
