Steve & Me

Terri Irwin

Steve & Me Terri Irwin

When Terri Raines was twenty-seven years old, she took a vacation that changed her life. Leaving behind her wildlife rescue work in Oregon, Terri traveled to Australia, and there, at a small wildlife park, she met and fell in love with a tall, blond force of nature named Steve Irwin. They were married in less than a year, and Terri eagerly joined in Steve's conservation work. The footage filmed on their crocodile-trapping honeymoon became the first episode of *The Crocodile Hunter*, and together, Steve and Terri began to change the world.

In *Steve & Me*, Terri recounts the unforgettable adventures they shared -- wrangling venomous snakes, saving deadly crocodiles from poachers, swimming among humpback whales. A uniquely gifted naturalist, Steve was first and foremost a wildlife warrior dedicated to rescuing endangered animals -- especially his beloved crocs -- and educating everyone he could reach about the importance of conservation. In the hit Tv shows that continue to be broadcast worldwide, Steve's enthusiasm lives on, bringing little-known and often-feared species to light as he reveals and revels in the worders of our planet.

With grace, wit, and candor, Terri Irwin portrays her husband as he really was -- a devoted family man, a fervently dedicated environmentalist, a modest bloke who spoke to millions on behalf of those who could not speak for themselves. *Steve & Me* is a nonstop adventure, a real-life love story, and a fitting tribute to a man adored by all those whose lives he touched, written by the woman who knew and loved him best of all.
