## **Dear Thing** Julie Cohen

After years of watching her best friends Ben and Claire try for a baby, Romily has offered to give them the one thing that they want most.

Romily expects it will be easy to be a surrogate. She's already a single mother, and she has no desire for any more children. But Romily isn't prepared for the overwhelming feelings that have taken hold of her and which threaten to ruin her friendship with Ben and Claire-and even destroy their marriage.

Now there are three friends, two mothers and only one baby, and an impossible decision to make...

Thought-provoking, heart-rending but ultimately uplifting, Julie Cohen's *Dear Thing* is a book you won't be able to put down, until you pass it on to your best friends.

### From reader reviews:

#### **Ruben Hardy:**

Book is written, printed, or outlined for everything. You can understand everything you want by a publication. Book has a different type. As it is known to us that book is important factor to bring us around the world. Beside that you can your reading ability was fluently. A guide Dear Thing will make you to always be smarter. You can feel considerably more confidence if you can know about everything. But some of you think that open or reading some sort of book make you bored. It's not make you fun. Why they can be thought like that? Have you looking for best book or acceptable book with you?

#### **Jo Lee:**

What do you ponder on book? It is just for students since they're still students or the item for all people in the world, what the best subject for that? Just simply you can be answered for that problem above. Every person has various personality and hobby per other. Don't to be compelled someone or something that they don't would like do that. You must know how great and important the book Dear Thing. All type of book can you see on many methods. You can look for the internet sources or other social media.

#### **Ardith Bobo:**

As people who live in often the modest era should be change about what going on or data even knowledge to make all of them keep up with the era that is certainly always change and move ahead. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to anyone is you don't know which one you should start with. This Dear Thing is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

#### **Irvin Ehlers:**

Reading can called imagination hangout, why? Because if you are reading a book especially book entitled Dear Thing your brain will drift away trough every dimension, wandering in each and every aspect that maybe mysterious for but surely will become your mind friends. Imaging every word written in a publication then become one form conclusion and explanation that will maybe you never get just before. The Dear Thing giving you another experience more than blown away your brain but also giving you useful information for your better life within this era. So now let us show you the relaxing pattern here is your body and mind is going to be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?
